Subject: Value of ICS Weekly Report

1. My recommendations are:

a. Change title to IC Staff  
Monthly report of ongoing/pending/  
future actions.

b. Div/Br Chiefs would report  
only those significant items,  
combine with the USIB Chairmen's  
Monthly report, publish and establish  
a permanent dissem list, and disseminate  
as one Document. (dissem to USIB Princ-  
ipals, IRAC, PFIAB & NSCIC ?)

c. Also recommend our Milestones  
be published on a monthly basis also.

2. Yes, we must have something for  
historical documentation and vital  
records - imperative that we have  
some type of report.
